Home Delivery:

Brand Routes operates using a nationwide delivery service through using either our own transport or trusted carrier services.

Express Delivery:

Express delivery - Our standard delivery times are 7-14 days free of charge, however on some items we are able to offer an Express 48 hour Delivery for a small surcharge. Express Delivery excludes weekends and Bank Holidays.

Home assembly service:

Brand Routes is now offering a new at home assembly service on the majority of the product range. For a small additional charge, upon delivery, the product will be built by our expert team in your desired location. All waste packaging will be disposed of by us, which is a particularly handy additional element of our service to you.

Available on selected models only. Price on application.

Easy assembly requires minimal tools. Arrives flat packed along with simple step-by-step instructions and an 'Easy Bolt Driver', the main tool needed in assembly.

Sturdy double walled panels with steel infrastructures deliver a firm construction resistant to peeling and denting, whilst UV protection prevents against sun damage.

A light pressure-wash or spray-hose will revitalise your sheds appearance, whilst scrubbing with a soft brush, warm water and detergent lifts any embedded grime.

All Apex, Horizontal and Vertical Sheds.

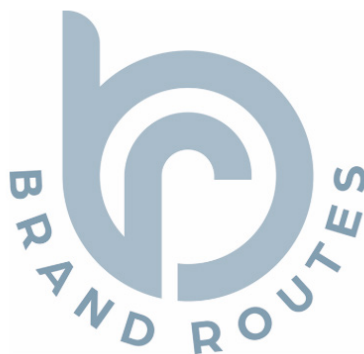

Boxes and Seats. Plus Garage storage. (Excluding: RTC1000)
