Log Cabin Delivery Information

Free Delivery - UK Mainland ONLY

As standard, delivery will be made using a 26 tonne HIAB vehicle. Details of this vehicle and the delivery procedure can be provided upon request, but if there are access problems it is unlikely we will be able to deliver the log cabin on anything smaller. Therefore it is important to advise us of any access restrictions and provide information that may impact delivery before placing an order.

Delivery is free to mainland UK addresses. However, a number of post codes may come with an extended lead time. These post codes include AB, DD, EX, FK, IV, KW, KY, PA, PL, PH, SA, TQ, TR.

If we are unable to deliver a log cabin due to access issues not advised or if you are not in when we attempt to deliver, a re-delivery charge may apply.
