Outdoor Furniture and Storage Collection  
**2024**

## Introducing HEX Living

Since bursting onto the outdoor storage and furniture scene in **February 2022**, our **HEX Living family** has designed and produced an innovative collection of contemporary metal products that put the needs of the user first.

With comfort, quality, maintenance, function and design at the heart of every product designed and engineered, we have created a highly sought-after collection that looks great in gardens and outdoor spaces of all styles.

What's more, all of our storage products, planters and metal furniture components are **manufactured here in Britain** and come complete with an unrivalled **lifetime warranty\***, reflecting the quality of materials and precision manufacturing that goes into each one.

\*applies to metalwork components only.  
Excludes Tutbury Parasol.

## Accessories

## Cantilever Parasols

An essential addition to any outdoor space, our **cantilever parasol** provides shade and much needed protection on sunny days. Height adjustable, the sturdy parasol has a generous three meter span and can be rotated 360 degrees to follow the movement of the sun.

The ideal companion to all of our furniture ranges, the parasol is available in both anthracite grey and porcelain white, whilst the weather resistant grey fabric canopy is also coated with UV protection to prevent fading.

### Footprint and Door Opening (cm)

# Weston Vertical Storage

**Weston** is the perfect storage solution when space is limited. Ideal for smaller gardens, yards or terraces, it safely stores and protects items without encroaching on living space.

Featuring two outward opening doors that can be folded back to either 90 or 120 degrees, Weston is easily accessible and incorporates an array of handy organisational features such as height adjustable shelves, tool hangers and a door panel organiser system to keep belongings in order.

### External Dimensions (cm)

Outer dimensions includes roof overhang

### Internal Dimensions (cm)

### Footprint and Door Opening (cm)

### Key Features

- Made in Britain
- Lifetime warranty for peace of mind
- Manufactured from high grade, powder coated, durable galvanised steel
- Supplied with a solid anti-slip, weatherproof floor and ground anchor kit
- Complete with door panel organisation system, tool hangers and shelving for easy storage

Anti-slip, weatherproof floor included

### Metal Finish

Anthracite Grey

Sage Green

For full technical data and optional accessories see pages 74 - 75

# Bromley Horizontal Storage

With a **2,100L** capacity the **Bromley** is a large, horizontal shed ideal for storing bikes, wheelie bins or an array of other household items.

Designed with simplicity of use in mind it has outward opening double doors and a hinged lid for easy storage access. Eliminating the need to open bin lids individually, Bromley cleverly features integrated wheelie bin clips, creating a singular opening when the main lid is lifted. It also features a handy door panel organisation system to hang belongings.

# Farley Deck Box

Suitable for storing a multitude of everyday items such as outdoor cushions, garden tools, toys or even sports equipment, the **Farley** is a functional yet roomy deck box ideal for almost any outdoor setting.

Available in **600L** and **1,200L** capacities, it is the ideal solution for busy garden environments, providing year-round protection from the weather and any pesky pests.

Updated for 2024, the Farley has a sleek aesthetic that blends seamlessly into its surroundings and is available in both of our anthracite grey and sage green colourways.

# Planters

# Hanbury Planters

The perfect space to grow plants, herbs and blooms, **Hanbury** is a stylish and versatile range of modular planters.

Suitable for spaces of all shapes and sizes, the stackable planters are available in a range of nine heights and lengths, facilitating an endless array of configurations. Easy to attach, individual clamps can be used to safely secure stacked planters to one another, whilst dividers can be used to ensure soil is used only where needed.

Expanding Hanbury's appeal, innovative seat and coffee table attachments are also available, enabling users to create additional relaxation areas.

## Proud to be a British Manufacturer

**HEX Living products** are not only designed and manufactured with the end user in mind, as a British manufacturer we are uniquely placed in the market to offer retail partners complete flexibility when it comes to stock supply.

Our ability to manufacture and hold large volumes of stock at our factory in Staffordshire, means we can immediately supply the exact quantity of product you need, when you need it.

Our service completely eliminates the need for forecasting and the requirement of purchasing minimum quantities to fill a shipping container.

Immediate order and delivery means there is no need for you to hold large volumes of stock, releasing valuable cash flow and space.

HEX Living is part of **The HEX Group** and with four decades of engineering and manufacturing expertise, every HEX Living product is designed and manufactured in our world-class production facility in Hixon, Staffordshire.
