# Juno garden boxes

Types and colours

## Advantages

- Secure storage of everything from cushions to toys, garden tools and patio items
- Robust design made of galvanized, high-quality painted sheet steel
- Weather-resistant, rainwater-proof and UV-resistant
- Cylinder lock elegantly integrated in the cover **1**
- Fast and easy fitting thanks to small number of individual parts
- Individual adjustment with height-adjustable feet **2**

### Two-point locking in the cover

Thanks to the mechanical two-point locking system in the cover, you can securely store your garden tools and patio items.

### Integrated dampers

The two integrated dampers ensure particularly comfortable opening and closing of the garden box.

Type 1320

Type 1620

Gross floor area*	0.4 m <sup>2</sup>	0.7 m <sup>2</sup>

**WE THINK AND ACT GREEN.** As a family business, we are very conscious of our responsibility to future generations and offer all products for residential construction CO<sub>2</sub>-neutral as standard. The Hörmann sustainability strategy aims to reduce and avoid emissions. We cover 100% of our electrical power needs at all European production sites\* with genuine green electricity from renewable sources. We also apply many other measures to reduce our consumption and save more than 75000 tonnes of CO<sub>2</sub> each year. We work with ClimatePartner to offset the remaining emissions by supporting certified climate protection projects.

\* Except for Maviflex in France
